

We are ready to care for you!

Thundermist is ready to help you get the care you need — even during COVID-19

ARE YOU SICK? DO YOU HAVE COVID-19 SYMPTOMS?

We want to help you feel better. Our medical team can help you with your symptoms and tell you what to do next. They'll let you know when you should seek emergency care. You can schedule a phone visit with our medical team. Make your appointment at ThundermistHealth.org or call (401) 767-4100. You will have a phone visit first. We will likely refer you for in-person care and testing in our respiratory clinic.

WERE YOU EXPOSED TO SOMEONE WHO TESTED POSITIVE FOR COVID-19?

It's important that you wait to get a test until five days after your exposure. For example, if you saw someone on Sunday who tests positive on Tuesday, you should wait until Thursday to get tested. This will provide the most accurate results.

Rapid Tests in Woonsocket

- Thundermist offers rapid tests in Woonsocket for all patients ages two and up. You will have your results in 15 minutes.
- You must have an appointment. Make an appointment at portal.ri.gov or call (401) 222-8022.

Laboratory Tests in West Warwick and South County

- Thundermist offers traditional COVID-19 testing in West Warwick and Wakefield. Results take approximately three days. These tests are only available to patients who have been exposed to someone who tested positive or are sick.
- You must have an appointment. Make an appointment at ThundermistHealth.org or call (401) 767-4100.

ARE YOU A STUDENT OR STAFF MEMBER OF K-12 SCHOOLS?

Students and employees of K-12 schools should call (844) 857-1814 if they need a test. More information about K-12 testing is available at <https://covid.ri.gov/testing/testing-k-12-students-and-staff>.

JUST WANT TO BE TESTED?

Thundermist offers rapid tests in Woonsocket for all patients ages two and up. You will have your results in 15 minutes. You must have an appointment. Make an appointment at portal.ri.gov or call (401) 222-8022.
